Comments:	I walk Eastlands Lane on my way to work and I also walk it most evenings, and weekends. It is our Local Green Space, and will be impacted by increased traffic and housing development. It is a beautiful lane with ancient oak trees and is very peaceful. Cowfold has a good number of hedgehogs, some of which live in Eastlands Wood and the development would further jeopardise their survival. I very much hope that this development does not go ahead.

Kind regards
