Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Privacy Light and Noise
Comments:	The development is proposed in a Local Green Space. I use Eastlands Lane as a Local Green Space and will be impacted by increased traffic from a housing development. This development will also have a significant impact on my enjoyment of my property due to loss of privacy, as it currently does not have any houses directly in front of it. The development, as proposed, would overlook my property.

Kind regards
