Dear Sirs,

Planning Inspectorate Reference: APP/Z3825/W/25/3360639

Horsham District Council Reference: DC/24/1418

Name of Appellant(s): Ms Powell

Description of Application Erection of a four bedroom two storey detached dwelling

Site at: Wealdon Barn Coppers Farm Bolney Road Cowfold West Sussex RH13 8AZ

I refer to the above and to your letter dated 4th March, 2025.

I agree totally with the Horsham District Council decision made that the application should be refused considering the not approved plan type.

The area is not large in acreage and with the buildings already erected the status of rural living would not be complying with agricultural land.

There would be little to no room for animals as of the intention of the agricultural land.

I feel that the decision on the appeal should be refused.

This letter being sent requesting sign for post.

Best regards,

[redacted]

Caroline Harvey
