Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	I am writing on behalf of the Horsham Society to object strongly to this application. This site is completely inappropriate and unacceptable for a housing development. It lies outside the built-up area and is within the Area of Outstanding Natural Beauty. Furthermore such development within the AONB would create a very unfortunate precedent both in itself and because there would be no natural boundary to the east to prevent further sprawl into the AONB. The application should be refused.  Secretary, Planning Sub Committee
