Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Overdevelopment - Trees and Landscaping
Comments:	I am objecting this planning as I strongly believe there is no need for houses in barns green, it will ruin animals places of homes, make local buisness close down, it was cause immense pressure on the village which is not needed. There is also already houses in barns green that have not been sold after a year of them being built so I believe there is no need at all to have more houses.it will ruin the village.
