Comments: It is very important that a new Scout Hut is provided with this new development. A new scout Hut has featured in several earlier development proposals but it has never materialised. It is long overdue. This planning application is an ideal opportunity to provide the facility that is sorely needed by the Scouts.
I support the planning application but ONLY if a new Scout Hut is funded AND constructed by the developer. I support the comment made by the Parish Council: "...neither the Scouts nor the Parish Council has funding or is prepared to take procurement risk on something which is within the developers means and skills."

Where did you hear
about this Word of Mouth
application?

Kind regards
