Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Privacy Light and Noise
Comments:	The last few months have become increasingly noisy if this application is approved it will be much worse as they want to increase the working hours to the weekends as well. I live in a retirement flat and this warehouse is situated at the back of our building and I can see them. There are HGV lorries unloading, men shouting at each other and general loud noise from early mornings. At times I close my windows. I came to live here in my retirement for some peace and quiet and feel I made a mistake. There is no peace and quiet anymore. If this goes ahead there will be no respite even at the weekends which is unacceptable.
