I wish to replace the windows in the property as well as the front and back door. The current windows and doors were fitted in 1985 and, as well as not being very heat efficient, are also out of keeping with the area I am in.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.
