The following guidelines shall be maintained and regularly reviewed by the above responsible person.

Operating hours
The use of the outdoor area including pergola hereby permitted shall be limited to the hours of 11:00 and 21:00 (inclusive).

Speakers
Speakers shall point away from the properties/ residents to the rear of the covered area.

Volume
Outside music shall be kept to respectable volume during the permitted hours and controlled/ monitored regularly.

Seating
The type of external seating/ tables used within the pergola shall be considered, most tables to be
timber, if metal tables and chairs are used then rubber protectors should be used on the feet to avoid unnecessary noise nuisance.

Signage
Signage to emphasise the need to refrain from shouting, and anti social behavour should be located on the entrance of the pergola, the signage should outline a '3 strike' exclusion policy if any customers are persistently disruptive/ loud.
