Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	If the new classroom means more children would be able to attend the nursery school then health and safety will be exacerbated on such a narrow highway and dangerous junction (Easter's Lane). Parking is already extensive nearby, reducing visibility along Cedar Drive. Deliveries in large lorries are parked on the junction or the pavement/grass. The immediate vicinity of expensive properties already has to deal with increased comings

and goings at various times which could be more quiet and thoughtful towards their neighbours.

Kind regards
