Customer Details

Address: Heatherdown Petworth Road BILLINGSHURST

Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I fully support this change of use planning application. The training facility offers well run, quiet, appointment only small classes (maximum 10) that have a huge positive impact on both physical and mental wellbeing. The timetable of classes ensures staggered start times meaning that there are only a small number of cars entering or leaving at any one time. In fact many people are now able to walk there as it is located more centrally to Billingshurst. There is however plenty of parking for those who drive. The timetable also offers training times that people can fit in before or

after work ensuring regular attendance for maximum benefit. Over many years Paul Snowsell has built a friendly, supportive environment for fitness training for all abilities in his local community. I therefore hope that this planning application will be approved.

Kind regards
