Comments:	Please stop over-building in Horsham. I appreciate this awful government pressures councils. However building properties so rich people can buy more as investments to rent out doesn't help us. Southern water are unable to cope with supplying the houses we already have. Chopping down our countryside causes more environmental issues. There is not enough infrastructure!

This has become a joke. Please fight out corrupt government who are busy taking back handers and give no thought to quality of life for any non rich nobody's they don't play golf with!

Kind regards
