Reasons for comment:	- Overdevelopment
Comments:	I have lived in Horsham all my life and used to be one of the most attractive places to live. You could get on your bike and within a 5 minute cycle ride, you would be in the countryside. Now Horsham hasn't got any character, all the fields i used to play in are now housing estates. There are so many large housing developments going on at the moment like kilnwood Vale and the development by Bohunt school that are no were near being finished. Flooding is becoming an issue like it wasn't before. We are losing a golf course because of the government wants more housing, when they are telling us to be more active. I have noticed that deer [REDACTED] are adventuring into the town because they are losing their habitat

Kind regards
