Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	This is in an Area of Outstanding Natural Beauty. Please consider other areas for development that are not green field sites. It appears to me these kind of new homes are only a necessity for developers. They do not provide eco-friendly, well built affordable homes! Instead, more green fields are lost which is unsustainable.

Kind regards
