Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	I strongly object to this application as I believe that it will comprise of six dwellings each with bathing facilities. This will add significant pressure on parking spaces which is very difficult as it is. It is a victorian structure and will put a huge strain on water and drainage. This area is becoming overcrowded and we simply do not have enough space for extra people. This is a purely financial venture which takes no account of the environmental impact and on the community as a whole. HMO's are becoming a problem in Horsham and this needs to be stopped.

Kind regards
