Dear Sir/Madam,

Proposal: 'Application for approval of Reserved Matters pursuant to Condition 5 of Outline Planning Permission reference DC/16/1677 for the construction of a primary road through Sub Phase 2C, footpaths and cycleways, foul and surface water drainage including SuDS basins, landscaping, and associated infrastructure.'

Site: Land Parcel at 520241 133665, Wimland Road, Faygate, West Sussex, RH12 4SS.

Thank you for your correspondence, please see our comments below regarding the above application.

Following a review of the documents submitted Southern Water has no objections to the discharge of Condition 5.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction work, an investigation of the sewer will be required to ascertain its ownership before any works commence on site. If this happens, please call our Customer Service Desk on 0330 303 0119

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119)
