Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Trees and Landscaping
Comments:	I am writing to strongly object to this planning application. While I appreciate the land itself does not form part of Chesworth Farm, its location and access would have a significant impact on the enjoyment of this loved and valued space, both for humans who walk there and the wildlife who live at Chesworth.

Wild spaces are in increasing decline, and the disturbance caused by building and the use of these buildings could have a significant impact on the wildlife at Chesworth, who have already lost so much of their habitat.

Chesworth is a peaceful space for local people to meet, especially dog walkers, and for parents to walk with their children. Right now, you can walk into Chesworth from this direction and enjoy the peace of the fields before getting further into the farm proper. We need to give wildlife a barrier before they are forced to face traffic and noise, as well as light pollution.

If we start developing this land, it could be the beginning of the end for the animals at Chesworth. Please don't let this beloved wild space be ruined and the effort of all the people who maintain Chesworth be in vain.

Kind regards
