Comments:	Further Representation - Environment Agency Acknowledgement Planning Application: DC/26/0530 - Hornbrook Farm, Brighton Road, Horsham I wish to place on the public record that, following my direct submission of evidence concerning the presence of Lamprey in the Hornbrook waters to the Environment Agency relating to this application, I have received confirmation that the material has been received and referred to

the relevant department for consideration.
No conclusion has yet been communicated. However, this is the first formal acknowledgement that the submitted evidence has been received and entered into the Environment Agency's internal review process.
Should any further advice or correspondence arise from that review before determination of this application, I respectfully request that it is placed on the public planning register as soon as practicable so that the public record remains com
