Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	The design of the surrounding roads would not be able to cope with the extra traffic during the build and after construction. It's endangering birds and other wildlife species. It's not including adequate community spaces or amenities. The village is very

small and rural and so would heavily increase the traffic into/out of storrington which can't cope with the traffic as is.

Kind regards
