Subject: [REDACTED] 60 day camping
Attachments: Bell Tent Plan July 1.docx
Categories: Register

Dear Sir/Madam

I am running my bell tent again this year at Pondfield farm with toilet and excisting cabin for waste disposal (large green bins),to be opened from 3/7/26 to 31/08/26 a total of 60 non consecutive days
No caravan license required
we will not exceed more than 42 days consecutive bookings without a camping license.

The campsite is not in SSSI, on the site of a listed building or in a hazard area or military explosives storage area
We have excisting toilets and sess pit and the tent will have a portable toilet and green bin for waste disposal
We are not in a flood zone
We have public liability insurance in place with NFU for the whole year 2026

--
Many thanks
