Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	Basically Ashington is not big enough to have all those new houses. It has not got the facilities to support them. It is a lovely village at the moment. Church Lane is dangerous enough to get a car through especially when there is cars parked. I have been in the village for over 40 years and watched the village grow but we definitely do not need it to get any bigger.

Kind regards
