Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	As part of Ashington Rovers FC, The new multi sport court and grass pitches will be amazing for the village as long as they don't make the cost of using them way over priced and village groups get a fair chance of using them over outside groups. But as a resident of the village I do think that things like the school, shops and doctors around the areas need to be sorted out before adding more housing to the village. It is hard enough getting children into local school now with more housing that is only going to get worse, the same with getting to see doctors. Also the parking in the village at certain times and on certain days is becoming dangerous now without more cars in the village. The only convenience shop we have in the village is way to small also.

Kind regards
