Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	Initial planning was for 150 - why has this. le increased and what impact will that have in current residents and amenities. How can we trust Bellway if they can't get correct data from the right water company??? The flooding in Mill Lane and surrounding roads is getting worse and consideration of fixing this has not been given...

Kind regards
