Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	I object to this development. As a resident on the London Road in the heart of the village, I observe daily the challenges up & down the London Road with cars, parking, cyclists & horses - and this is all and the current state of development. Factoring in another 180 houses and the problem compounds to an unacceptable situation, hence my objection. In addition, the infrastructure is not fit for purpose currently, so with more homes the two small village shops (Co-Op and BP) will become swamped with parking issues, hence I object further again. Then the local Glebe Surgery Doctors, already oversubscribed so once again I object. Please look elsewhere for development and leave the Village of Ashington as it is...

Kind regards
