Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This is total overdevelopment of this area . It is set too far back from the main road A24 . This will create a huge increase in traffic at an already over-pressured road and will cause chaos. Building on such a large scale on fields and woodland at the edge of the village will also allow further development towards Thakeham and Storrington much thought has to be given in this sort of development. Much wildlife will be effected . Are we going to see a new road in the future coming in from the north of Ashington ? I can see that coming . This should not go ahead and I object to the whole application.

Kind regards
