Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	I strongly oppose this development. As a former resident of Ashington I have strong feelings towards this over development. The village does not currently provide the level of amenities it's current residents require. They need a dedicated Doctors surgery, a larger shop along with the road structure will not support the construction of this site. The access roads will not support the quantity of vehicles that will access this site throughout development and once completed. The fields and trees that will have to be sacrificed for the development of this site is unacceptable and will ruin the countryside. Ashington over the last 25 years have had enough development. Taking development further in this small village will ruin it.

Kind regards
