Dear Sir/Madam,

Re: 11 The Ridings, Bramber, Steyning, West Sussex, BN44 3PX

Thank you for your letter of 3 May 2024.

We have concerns that the proposed extension to the first floor balcony of 11 The Ridings will adversely affect daylight reaching our kitchen at 12 The Ridings, primarily because the buildings are sited closely together with our house at number 12 sitting at a right angle to number 11.

Light will be considerably reduced should the proposed roof outline go ahead to enclose the balcony for 11 The Ridings. Overall there will be a detrimental effect on light levels where we foresee needing to switch lights on during the day all year round. On that basis we are registering our concerns with the planned extension to the first floor of 11 The Ridings.

Kind regards,
