Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	I was informed about this application as I live nearby, they say continuous occupation but I live in Copsale and have for the last forty plus years and go past this property virtually every day yet I have never seen anyone living there or lights on or anything to suggest that the building is occupied especially when the applicant owns the adjoining large house which is unoccupied on the ground floor, it certainly doesn't comply to their statement

Kind regards
