Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	We do not need any more land taking away from our green spaces, especially in an area of outstanding natural beauty. North Horsham is overdeveloped as it is. And where is the water supply coming from, when there is no new infrastructure to build more water reservoirs. Congestion traffic in peak hours is horrendous, and this is going to impact on the local area, and it is dangerous for any pedestrians walking towards the New Crawley road.

Kind regards
