Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment - Trees and Landscaping
Comments:	When you say affordable that is not what you are delivering. You are carving up our countryside. Beautiful places of outstanding beauty for houses that few people can ever own outright. Have you ever sat and watched the stags from the woods there. The birds of prey hovering over the crops. The sunset the butterflies the adders. No I'm pretty sure you

haven't. And yet you want to take away their habitat for houses that people can't afford.
Forfill your quota like Crawley converting office space or unused car parks.
This plan is awful

Kind regards
