Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	Vehicles already queue for the Moorhead road about. The additional traffic this development would cause would be horrendous. Egress from Earles Meadow is already dangerous, the additional traffic would make egress even more dangerous and cause more queues. Loss of local amenities for dog walkers and recreation would also be unacceptable.

Kind regards
