Dear Planning Officer,

I am writing to object to the planning application for a new house at 35 Churchill Avenue (ref: DC/25/1006). Our property is immediately behind the proposed build. The planned house would overlook our rear rooms and garden, leading to a substantial loss of privacy and natural light. Construction traffic, even at the end of Churchill Avenue, would still bring noise and disruption to our end of the road for a long period of time.

Please take these concerns into account in your review.

Kind regards,
