Horsham Denne Neighbourhood Council
CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	22 Richmond Road, Horsham
PROPOSAL:	Surgery to 1x Common Medlar and 1x Magnolia Grandiflora (Works to Trees in a Conservation Area)
REFERENCE:	CA/24/0029
RECOMMENDATION:	No objection

SUMMARY OF COMMENTS & RECOMMENDATION: No objection (see main comments)

MAIN COMMENTS:

Horsham Denne NC Tree Warden, Andrew Dickinson, has visited the site and his report is as follows:

T1 – The Magnolia Gradifolia tree is situated at the front of the property. It has been reduced on a previous occasion by approx. a third of the total crown. This reduction is required again, with all cuts being made to a healthy union join on all branches.

This will leave the tree in keeping with the frontage of this area.

T2 – The Medlar tree is of medium size and is situated to the rear of the property. It will require a complete crown reduction to the previous pruning points, with all cuts being made to a healthy union join. Some crown thinning would improve air flow and ensure the continued health of this tree.

Following completion of the surgery, the trees should be left in a well-balanced shape and the area cleared of all debris.

Therefore, HDNC has no objection to this application.

ANY RECOMMENDED CONDITIONS: As above
