Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	I object to this development due to a number of reasons: 1. Chapel Road is already congested due to parking outside of the shop. An entrance to the development opposite the shop will only increase traffic, congestion and the risk of accidents.

2. The wildlife and rural nature of Barns Green will be destroyed if the development goes ahead, the ancient hedge would be removed which would ruin the character of the village.
 3. Flooding is bad along that road with heavy rainfall causing large puddles and water entering the shop. This would become even more of a problem with the run-off from the new development.
