Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	This development is not needed, in a small village that has a development in progress has sold such a small percentage of houses. The area is well known to be an area that floods with rain, the roads aren't suitable for any further heavy transport, with additional regular traffic of a further 68 homes.

Kind regards
