Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	I object to this planning proposal on the grounds that we have recently lost acres of rural land in the village, at the Sumners Ponds housing development. Moreover, this field has been utilised for many years as a gathering place for many local events with generated revenue going toward local charities, which without the support of said events will be under even more pressure than they are now. Please consider my rejection to these plans & i encourage you to write to me or quote me where neccessary. A local resident [REDACTED]

Kind regards
