Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	I object to this development as Barns Green is a rural village and this will result in the loss of wildlife and the overall character of the village. Driving past the shop is already difficult due to the volume of traffic and limited parking. This would be much worse if there

are houses and a road built opposite. The sewage works is already stretched and I am concerned of any overflow of this being a public health issue.

Kind regards
