Reasons for comment:	- Loss of General Amenity
Comments:	Having lived in Barns Green for over 50 years [REDACTED] and a non-driver I rely on the shop. I am concerned that this vital asset will be put under so much pressure from building works, parking issues and a new road opposite that it may end up closing. The bus service is inadequate. The flooding is worse than it has ever been and even more housing would just make this even worse. The character of the village is one of a rural countryside and building on the field and the removal of the hedge would ruin this. I am also worried about the water and sewage services being stretched.

Kind regards
