Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Trees and Landscaping
Comments:	As an elderly resident who has lived in Barns Green for over 50 years I object to the building on this field and the removal of the ancient hedge in front of the development. The devastation to wildlife should not be allowed. Congestion and parking issues we

already have outside the pub and shop will increase with the volume of cars the new development would bring. We've already been without water for 3 days when our water supply in this area stopped, further residents would strain this service and add pressure to our sewage system. Barns Green is already overdeveloped.

Kind regards
