Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	Having a young family, the village of Barns Green is a beautiful rural village which appealed to me when I moved here 6 years ago. Approving the proposed for development of more dwellings

on an ancient part of the village which will destroy wildlife habitats, hedgerows etc.

The increase of highway traffic to the village will increase the safety element of the village along with utilities which ca not currently cope with the current village requirement. The village is a beautiful example of a quiet countryside village in West Sussex.

The development will take this element away from this part of the Horsham district. People visit Barbs Green for the aspect. To get away from the race of high traffic and population.

Kind regards
