Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This will destroy yet another beautiful English village!! There is not the infrastructure, schools or doctors to support this

development. The roads can't take it, that area regularly floods in bad weather, pictures can be supplied as proof.
It's just wrong on every level. It's not wanted, needed or necessary
How many more villages are going to be destroyed?

Kind regards
