Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	I object in the strongest possible terms to this development The roads certainly cannot take the extra traffic or additional parking

It will destroy yet another beautiful village in terms of extra traffic and noise.
There are not the doctors, schools or infrastructure to cope with this development.
All there is in the village is a pub and a village store so there are not the amenities available

Kind regards
