Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	I wish to OBJECT to the above Planning Application for the following reasons: 1. The site is unsuitable as it lies within a rural area where houses are generally widely spaced; the density of the proposed dwellings is out of keeping with the existing environment.

2. The site is unsupported with adequate infrastructure - lack of suitable sewage treatment and an already overused and dangerous local highway system.

3. Lack of public transport links to access local amenities including schools and shops.

Kind regards
