Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	my issues is how the traffic to be dealt with as its already dangerous at various busy times of the day,also I lived here for 33 years thakeham wasn't always this big and unfortunately it's slowly losing it's appeal, it's beautiful little village with lots of wild life and is very quite why ruin something that is already so perfect we don't need more houses here when what is built is already perfect as it is so please don't ruin my childhood memories and

what I remember playing on and around as kid with my freinds
thakeham holds so many deer memorys to all of us who have
lived here for such long time,from playing bingo back when I was
kid in old village hall to learning to drive on old abbingworth site
thakeham ia truly a special place and i believe it's such privilege to
live here so destroy something thats so special and is slowly
being destroyed across the country,our country is already losing
so much what makes it so great

Kind regards
