Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Trees and Landscaping
Comments:	I moved here to be near my family I moved from noise and pollution and it's following me. Whilst building this city in a village

the building lorries passing through will destroy the lanes even more, tree branches and trees are too low they will snag the branches, which could land on top of a car behind, lorries already drive in the centre of the lanes, the verge on the lanes are not visible as the earth is sliding down the bank hiding sides of the lanes, plus the Lorries big wheels will gouge out the edges of the tarmac and create dips that we will end up driving in yes lanes not roads. Then double the amount of cars turning a country lane into a motorway, FUMES to the wildlife and people, more rubbish in the hedgerows and more lightly to get run over when walking the lanes, keep out.

Kind regards
