Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	This proposal will if approved add probably 18 traffic movements in and out of a highly dangerous position where the speed limit (if enforced!) reduces from the National Speed Limit to 40mph. An accident is waiting to happen here anyway and this will just add to the likelihood. It is an overdevelopment of a rural site.

Kind regards
