Dear Amanda,

RE: **DC/24/0976 – Rikkyo School, Guildford Road, Rudgwick, West Sussex, RH12 3BE**

Thank you for your consultation on the above site, received on 4th July 2024. We have reviewed the application as submitted and wish to make the following comments.

This is an application to vary condition 1 of previously approved DC/23/1912 to update plans to show a larger air source heat pump enclosure.

We have no objection to this application. If there is any increase in impermeable area due to this variation of condition, this will need to be considered when the applicant prepares documents to submit in relation to condition 4.

Yours sincerely,

Eleanor Read
