Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	I do not object to this application, but I would request that a condition be put on the application, preventing future occupiers from extending the new building, and converting it into a separate dwelling. An application was made in 1989, by the then occupiers, to create

a separate dwelling and garage in the garden of 120. This was refused.

Kind regards
