Dear Halima,

Thank you for your email, unfortunately because this is an alteration to an existing building and does not affect Fire Service access or the supply of water for firefighting (B5 requirements of AD-B), the WSFRS – Water & Access team do not comment on cladding provision. However, I have forwarded your email to our Fire Safety department who may respond to you, as they are the team monitoring the cladding changes on high rise buildings.

I have copied the Fire Safety Team in on my reply to you.

Kind regards
Ian

URGENT

Dear colleagues,

DC/25/1015
Horsham Gates, North Street, Horsham,
Variation of conditions 1 and 3 of previously approved application reference DC/24/1545 (Replacement of the existing timber cladding material on external walls and within the window units to non-combustible aluminium cladding, replacement of the rendered wall to a similar material with non-combustible insulation, and the replacement of the existing aluminium roof to a similar material with non-combustible insulation) for amended plans and materials.

I refer to the above case file.

Unfortunately, I have not received your department's consultation response which was due on 19th August 2025. Please kindly forward your department's comments as soon as possible.

Kind regards

Halima Chowdhury
