Hi Alice,

Further to the proposal from the agent I would recommend a short condition such as:

"Foul sewage to be disposed of in accordance with the agent's proposal to connect to the existing cesspool as detailed in the email from Batcheller Monkhouse dated 7th August, or if the applicant wishes to use a different method, full details to be provided to, and approved by, the Local Planning Authority before installation."

Thank you

Kind regards
Penny

Good afternoon,

Please can an updated comment be provided based on the confirmation from the agent on the existing cess pit.

Kind regards,

Alice Johnson

Dear Alice,
Further to the response from the HDC EH and Licensing Officer Penny Marsh, the client confirms that they intend to connect to the existing farm cess pit near to the application site. This is shown on the attached photo.
Please let me know if there is anything further you require in order or Penny Marsh to complete her assessment for suitability of the proposed use.

Kind regards,
